This table shows suggested giving levels per stewardship unit, according to the level of adjusted gross income. If the majority of the congregation would commit to the Fair Share Giving Guide we would be able to comfortably fund all of our programs and add more. Review the table and determine the level that is appropriate for you, Supporter, Sustainer, Visionary or Full Tither. We appreciate any gift that is the "right" level depending on your circumstances and YOUR Vision for the Tapestry.
