2. **Buy Stamps.** \$0.35 postcard stamps [click here](#)

3. **Email Suzy** suzyandstan@yahoo.com with the number of names/addresses you want. Please wait until you have your postcards. You will receive an email from Suzy that will have instructions, a script and names and addresses.

4. **Mail** When you have completed the cards, you mail them. The goal is to mail the postcards **within 2 weeks** of receiving the names. When you are ready for more, email Suzy and let her know.

*We are currently focusing on contacting voters in key states. The list of names and addresses has been provided by the NAACP. According to the organizer Reclaim Our Vote, the "post carding" success rate is quite high. Have fun and know you are making a difference.
